RE: Your request for permission dated 05/06/04

Regarding your request, we are pleased to grant you non-exclusive, non-transferable permission, but limited to print and microform formats only, and provided that you meet the criteria below. Such permission is for one-time use and therefore does not include permission for future editions, revisions, additional printings, updates, ancillaries, customized forms, any electronic forms, braille editions, translations, or promotional pieces. We must be contacted for permission each time such use is planned. This permission does not apply to figures / artwork that are credited to non-AAAS sources. This permission does not include the right to modify AAAS material.

Print the required copyright credit line on the first page that the material appears: "Reprinted (abstracted/excerpted) with permission from [FULL REFERENCE CITATION]. Copyright [YEAR] AAAS." Insert the appropriate information in place of the capitalized words.

Permission is limited to the single title specified or single edition of the publication.

AAAS must publish the full paper prior to use of any text.

AAAS does not supply photos or artwork. Use of the AAAS material must not imply any endorsement by the American Association for the Advancement of Science. This permission is not valid for the use of the AAAS and/or SCIENCE logos.

Permission is valid for use of the following AAAS material only:
Fig. 1 from C Funk, SCIENCE 294:1871-5 (2001)

In the following work only:
Dissertation by Z Jia, "MECHANISMS OF 11-DEOXY-16, 16-DIMETHYL PROSTAGLANDIN E2 MEDIATED CYTOPROTECTION" (December 2004) University of Texas at Austin

Thank you for writing. If you have any questions please call me at (202) 326-6765 or write to me via fax at (202) 682-0816. For international calls, +1 is the country code for the United States.
