Antarctica: Research Stations and Territorial Claims

Note: Nine of the 16 Antarctic Treaty consultative nations have made no claims to Antarctic territory (although the Soviet Union and the United States have reserved the right to do so) and do not recognize the claims of the other nations. Brazil, however, has designated a zone of interest.

The Falkland Islands, South Georgia, and the South Sandwich Islands are administered by the U.K. and claimed by Argentina.

Antarctic Peninsula

- Capitán Arcturo Post (Chile)
- Primavera (Argentina)
- Teniente Maitenzo (Argentina)
- Palmer (U.S.)
- Eleftherios Venizelos (Greece)
- South Georgia Island
- South Orkney Islands
- South Shetland Islands.
