

# Google & UT Libraries

Use Google Scholar to search and connect with the UT Libraries online journal collection!

1. Search Google Scholar via the UT Libraries web site or set up an open URL connection between your browser and our collection:  
[www.lib.utexas.edu/tools/search.html#openurl](http://www.lib.utexas.edu/tools/search.html#openurl)

## Open URL Referrer

### What is it?

A Web browser add-on that converts bibliographic citations to URL's.

### How can this help me?

If you are searching for resources on **Google News Archive** or **Google Scholar**, this browser add-on will automatically create a "Find it @ UT" link that will take you directly to the resource in our catalog.
