Next meeting: April 14, 2004

Notes:

UTLOL:

- Goal – new website out by September
- Looking for feedback from groups on campus
- Close to final design, still working on images
- Designing for functionality and integration
- Rue discussed design possibilities and reasons behind some decisions (number and position of links, images, etc)

- **Research by Subject** – students present did not know this existed, were excited about it and wanted the information to be more accessible and obvious
