Articles & News - www.lib.utexas.edu/business > Databases A-Z

If the article you need is not full-text in the database, follow the "Find it @ UT"  link. A box will appear listing your options for finding the article full-text in another database or in print in the library.

[Business Source Complete](#)

Scholarly and popular business article database providing a collection of bibliographic and full text content in all business disciplines, including marketing, management, MIS, POM, accounting, finance and economics. Indexing and abstracts for scholarly business journals back to 1886, plus searchable cited references for more than 1,200 journals.

[Factiva](#)

A global information resource, providing full-text access to top national and international newspapers (including full text of the *Wall Street Journal*), newswires, business journals, market research reports, analysts reports and web sites. Contains over 8000 publications with content from 118 countries in 22 languages.

[Web of Science](#) (ISI Web of Knowledge)

Choose *General Search* to search the database by topic, author journal or address. Choose **Cited Reference Search** to search for articles that cite an author or work. This search includes the list of references at the end of articles and will allow you to search by the cited author, cited work, cited year or a combination of the three.

Data - www.lib.utexas.edu/business > Databases A-Z

[ICPSR](#) (Inter-University Consortium for Political and Social Research)

The world's largest archive of computer readable social science data. ICPSR provides Web access to data files and documentation for use with statistical software, such as SAS, SPSS, and Stata.

[Mergent](#)

More than 10,000 NYSE, AMEX, Nasdaq and other select regional exchange companies. 15 years of financials, plus real-time access to EDGAR for SEC filings.

[WRDS](#) (Wharton Research Data Services)

Tap the most comprehensive sources of financial, accounting, economic, management, marketing, banking, and insurance data. Includes Compustat, CRSP, and IBES just to name a few.
